self-worth

"When I was 13, I met a boy in my hometown in Mexico. He promised me love, convinced me to leave my family, and brought me to New York City. But instead of love, he forced me into sex trafficking. For years after my escape, I tried to find a place in the United States that offered the aftercare services I needed to heal and become self-reliant, but it didn't exist.

I helped create Dahlia's Hope so that other survivors could find all the support they need in one place instead of piecing together resources all on their own. Thanks to our donors, to date, we have been able to provide aftercare services to 40 survivors like me. Thank you for believing in my dream - without you, without your support, this wouldn't be possible."

Faith Robles, Founding Survivor

In 2021, Dahlia's Hope increased the number of survivors simultaneously served by 143%

We also conducted:

- 27 outreach presentations
- 29 community collaboration meetings, including:
 - A presentation at the Utah Trafficking in Persons Task Force (UTIP)
 - A presentation to the State-Wide Advocates for Victims Organization (SWAVO)

Most importantly, we provided 1,598 clinical therapy hours to survivors this year.

Expanding Our Capacity to Serve Survivors

From Board Members to Clinical Therapists to a new Chief Operational Officer, our team has grown, adding new members in critical roles over the past year! Each of our team members offers an essential host of skills, life experiences, and unique types of care that are all essential to survivors. When we grow, they grow! Introducing the Dahlia's Hope new team members of 2021!

Jacob Rogers
Board Member

Increasing the Number of Survivors Served

"Now I know that there are people that want to help survivors to overcome and heal and know that we're not alone. We have grown a lot, yes, but this is just the beginning! With your support, we will grow even more."

Faith Robles
Founding Survivor

2021 Introduced our first-ever annual Restoring Hope Gala. The event was a massive success! Because of our supporters' generosity, we exceeded the one million dollar mark in donations received to date. These contributions support survivors in their aftercare more than we could ever express. We look forward to meeting even more Dahlia's Hope supporters at our 2022 Restoring Hope Gala. Mark your calendars and please join us on October 27 in Salt Lake City, Utah!

Cherstyn Stockwell
Founding Board Member
Development and Donor Relations

Our 2021 143% increase in survivors simultaneously served was made possible by a 100% increase in donations.

Thank you!

Continually Improving the Breadth and Quality of Care Provided

Program Spending

"In 2021, all of our clinical programming has been advanced and expanded in quality and services provided. Our team continues to make high quality of care our top priority and provide a wide variety of services. We are thrilled to have welcomed five new clinical team members this year!

Each service we offer is instrumental in providing survivors with complete aftercare and ensuring healing opportunities in every interaction they have with our team."

Bacall Hincks, LCSW
Clinical Director

Being Responsible Financial Stewards

"At Dahlia's Hope, our priority is providing survivors with opportunities to heal and develop self-reliance. Always mindful of the trust that both survivors and donors place in us, our board and staff all strive to model financial responsibility to survivors, stretching every dollar to maximize their opportunities for growth."

Chris Anderson
Founding Board Member and CFO

Volunteer Hours by Month

Our volunteers are an essential piece of our growth at Dahlia's Hope because of the difference they make by sharing survivors' needs with their communities. Engaged volunteers have thrown their hearts and minds into helping survivors!

In 2021, survivors at Dahlia's Hope benefited from:

- Fundraising dinners, silent auctions, and awareness events
- A backyard neighborhood concert featuring local musical talent
- A dance concert featuring local performers and choreographers
- Workplace and corporate fundraising and matching campaigns

TO BECOME
A VOLUNTEER

Every community can contribute time and talents to raise support for survivors. What difference will your community make?

You can change lives!

Your donations provide these critical aftercare services to sex trafficking survivors in Utah:

- Outpatient Clinical Therapy
 - Individual Therapy
 - Group Therapy
- Case Management Services
- Recreational Therapy
- Animal-Assisted Therapy
- Educational Resources
- Medical Resources
- Life Skills Training
- Vocational Resources
- Transitional Housing

Help us empower survivors to create the independent lives they dream of and deserve.
